If you wish to place a deposit on a litter that is a year away, we will re-negotiate the time frame.

Final payment is due when the puppy is 6 weeks old or SchönenK9 reserves the right to place that puppy back as available and move your deposit to the next available litter. Non-refundable deposits will be rolled over until preferred puppy/dog is available (within specified terms listed above), **there will be absolutely no refunds.** By submitting deposit payment, you fully understand and agree to our policies, terms and conditions.
